LIFE and EDUCATION

PEILife.org

PEI Life is pleased to announce our bursary program to help women throughout the Island further their education.

BURSARY PROGRAM*

This generous grant is awarded annually to a young woman who has chosen LIFE for her baby and who wishes to further her education.

The gift of LIFE and pursuit of education should never stand in conflict with one another. Our aim is to help women with this goal in mind.

* Conditions apply.
See webpage for full details.

“As a single parent it gets hard trying to support yourself, kids, and education all at the same time, I sometimes get mom guilt when I decide to do something for myself for once. This bursary will ensure that my tuition is covered, and I am able to complete the program without any hiccups. This is my dream and I will strive to ensure that I achieve it.”
